been the law partner of Gapt T. T. Gam-mage of this city. He is now in the front rank of his profession, and as senator will be found doing his whole duty, and will reflect credit on the old Seventh dis-trict. Though the election is not far off, Mr. Gregg will make a canvass of all the counties comprising the district.

SON-IN-LAW OUT OF GRACE.

Mr. Von Hoffman and Mr. Marquis de Mores Quarrel Over Beef.

NEW YORK, Oct. 41 .- A story is told that there has been a serious disagreewis, Mo., Oct. 11.-Ever since ment between Von Hoffman and his sonin-law, the Marquis de Mores, over the active convention, there has been lattife and discentert in the party.

And counter charges have been withdraw the financial support which he has hitherto given the marquis in his centuring nominations. In view of the of affairs the Republican city committee called another that there has been a disagreement all protumnaries, a resolution was go the convention to-day, after all protumnaries, a resolution was conventing the entire ticket to resolution to the marquis yesterday said: "It is true that there has been a disagreement between the marquis and Mr. Von Hoffnation of candidates by the Re- in-law, the Marquis de Mores, over the true that there has been a disagreement true that there has been a disagreement between the marquis and Mr. Von Hoffman, but I do not consider it a matter in which the public is interested, and I preferminal court, thereupon in their resignations, which the public is interested, and I prefer not to go into details. If the difficulty should result in embarrassing the marquis, which is extremely doubtful, it is positive that it would have no effect upon the National Consumers' Meat company.

KNIGHTS AT LEISURE.

A Grand Parade Through the Streets of Richmond with 5000 Knights in Line.

the Procession.

Colored Aides to a White Grand Marshal and a Colored Assembly Head ENTERTAINED BY LOCAL ENIGHTS. RICHMOND, VA., Oct. 11.—To-day was devoted by the delegates of the general assembly Knights of Labor to enjoyment of the entertainment arranged in their truth of the charges made against the totale. Other speakers followed, of the city. In accordance with the and to declare the monitation vacant tasally put and carried amid great tement. The following ticket was placed in the field: For judge of the dual court, Joseph G. Lodge; for fif, Isaac M. Mason; for cierk of circuit court, Fred Mott; for circuit court, Fred of the entertainment arranged in their honor by the Knights of local assemblies

on either side of him. Behind the marching men rode, in carriages, Powderly, members of the executive board and other leading Knights, the lady delegates and the baby delegate three weeks old, the daughter of District Master Workman Rogers of Chicago. A few colored women rode in carriages bringing up the rear of this part of the procession. The right of the line of local Knights was held by Pioneer assembly 3572 of Richmond, composed of colored Knights, headed by a colored band, then came white assemblies again, and bringing up the rear were the colored assemblies. The streets along the route were lined of Greenback in politics, nor Protein for Roman Catholic in religion. We in the same the colored band, then came white assembles again, and bringing or the car committeed by a colored hand, then came white assembles again, and bringing or the formal catholic in religion. We in the same the colored assembles, again, and bringing or the formal catholic in religion. We will not longer the call equally includes politic parallel methods. The committee for the carriage which Powderly rode in fair the party you affiliate, nor with what car you worship, nor the line of politics and those favoring and some of the convention as a Froilibitionists and those favoring and the carriage which Powderly rode in halted at the entrace of the fair the party you affiliate, nor with what is purpose of the convention as a Froilibitionists. The same and through the procession as it passed through the proc rowderly and the members of the execu-tive board remained a little more than an hour at the fair grounds, and then re-turned to Ford's hotel, to give the rest of the day to the work awaiting their atten-tion. During the atternoon at the fair grounds there was a bicycle race, trotting

race, mule race and tournament. This evening there will be a banquet and ball, and an exhibition of fire-works.

Before the races and other events on Monday. The entries in the stock dethe programme took place, Master Work-man Mullen of this district, standing year, and the management have found upon a seat, announced that Senator-elect Daniels had been expected to speak, but was unavoidably absent at the cen-tennial celebration of the charter of Lynchburg. Mayor Covington Castalso expected, but was ill and unable to be present. Governor Lee's name was also on the programme of list of speak-ers, but no evolunation was given, of his A. Oct. 11, 1886.

Siguers of the above call are all attative Prohibitionists, and one of (W. D. Jackson) is the candidate it treasurer on the Prohibition of the programme of first of speakers, but no explanation was given of his absence. The chairman then introduced Ralph Beaumont, Mr. Trelly and Mr. Lychman, who spoke on the aims and object of the order they represented.

EATEN BY THE WOLVES.

A Man Under Indictment for Attempted Murder Commits Suicid :.

Special to the Gazette.

ELGIN, TEX., Oct. 11 .- Saturday evening last about 6 p. m., T. H. Lee, a farmer living four miles from town, found the skeleton of a man lying in a clump of bushes, on the Alley Gorge farm. The skeleton and clothing found, together with a Winchester rifle and a Waterbury with a Winchester rifle and a Waterbury watch, were indentified as those of August Wenzim, who, while under indictment for attempted murder, became missing in May last, and no trace of him county. Considerable interest will be to n minate a strong man at the rial convention at Jacksboro on the of this month. Wise county claims entitled to make the nomination, as enough votes to elect if the timeted two-thirds rule be adopted.

Knocked Out.

ROCKAWAY BEACH, N. Y., Oct. 11 .atly proud of the honor conferred her able citizen, A. W. Gregg, Esq., received the Democratic nomination in a prize fight at an early hour this morning. Six rounds were fought, lasting it, at Jacksonville, on Saturday i last. Mr. Gregg is thirty-two years cared the winner, baving knocked his ce, and has for a number of years antagonist through a window.

The Indications are that Goold's Western Trip Means Very Imperiant Husi-ness-Governments Weak.

COMMERCIAL RESUME.

Special to the Gazette. NEW YORK, Oct. 11 .- The railroad ond sales were light to-day, the closing quotations were as follows: Texas & Pacific Rios at 724; Gulf, Colorado & Santa Fe 2's at 103.

Money 54@7 per cent. Sterling dull and weak, Governments weak and lower. Wheat higher. Oil closed at 65c Cotton declined 8 to 10 points.

Coffse higher. Coffee higher.

There are many inducations that Mr. Gould's western trip means very important business. The Missouri Pacific has been building new branches and extensions all the year, but a more comprehensive plan for meeting the completion of the Atchison and St. Louis & San Francisco is likely to be projected soon.

GOVERNMENTS. S. OCKS AND BONDS.

GOVERNMENTS, STOCKS AND BONDS.
NEW YORK, Oct. 11,—Government
onds dull and weak.
Stocks opened active. Pacific Mail was sold heavily under persistent hammering. This stock flually affected the whole list The talk of an opposition line, ty the Canadian Pacific has shaken out many weak holders who have been waiting for a settlement of the cranscontinental difficulties. A report was started that labor troubles had extended to Erie, and the tropoles had extended to Erie, and the lack of confidence in the favorable outcome of the conference of railroad officials at Chicago, together with other disappointing reports of earnings from that quarter created a depression in the market. Later in the day it was announced that there was a brighter prospect for an agreement at the Chicago conference and the market responded quickly. New England was the strong-est stock on the list. Reading & Western Union were both extremely active, although there was nothing of a nature

Peculiar Formations of the Mines in South

present themselves: How did the South African diamonds ever get there? How much deeper are we going down? Are diamonds going to be found in as large quantities as at present?

quantities as at present?

There are various theories as to how these mines bave been formed, but all agree in attributing them to velcanic action. They are all funnel-shaped, the sides of the funnel being composed of a dense igneous rock, known in miners' parlance as "reef." It is of a scapy nature, easily acted upon by the atmosphere, consequently most dangerous, as large pieces, in some instances weighing hundreds of tons, get detached. There are no means of shoring it up, and without warning these slices will slide off into the working portion of the mines, burying the claims and some-The assessment roll of Dallas county was received in the comptroller's department, and shows an increase in texable values of \$1,620,000. The roll of Tom Green county, also to hand, shows an increase in taxable weaith of \$137,000.

Horr. Winter is Coming. age of one in fiteen. The theory is, that in time the sides of the reef will meet at some great depth, supposed by some to be 1000 feet, by others more; and that then we shall arrive at the aperture forming the bottom of the funnel. Whether that hole will again expand into
